CENTLEC

Reg No 2003/011612/07

CENTLEC (SOC) LTD'S - A MUNICIPAL ENTITY DISTRIBUTING ELECTRICITY IN MANGAUNG AND OTHER MUNICIPALITIES - TECHNICAL SPECIFICATION FOR THE INVITATION OF SUITABLE SERVICE PROVIDERS FOR THE ONCE-OFF CLEANING OF THE CENTLEC SITE AND RAILWAY SIDINGS

1. The Introduction and Objective

CENTLEC invites suitable service providers to bid for the once-off cleaning of the CENTLEC site and the railway sidings

2. Compulsory Site Meeting

A compulsory site meeting will be held for all contractors to inspect and to ascertain themselves with the amount and nature of work required prior to submitting their proposals. The project team will be in attendance on the date of the site meeting, as specified by the Supply Chain Management office.

Only proposals submitted by bidders who have attended the compulsory site meeting will be considered for acceptance.

Site Conditions

- 2.1 It is the responsibility of the contractor to visit the site during the quotation phase and to familiarize him or herself with the conditions related to it.
- 2.2 No claim for additional payment related to ignorance of site conditions will be accepted.
- 2.3 By submitting a quotation, it is accepted that the contractor is fully aware of all site conditions as well as the access to it, and has allowed for this in his/her quotation price.

CENTLEC reserves the right to extend the proposals date or postpone the site meeting.

3. Scope of Work

- 3.1 De-weeding and cleaning of CENTLEC site as well as CENTLEC's two (2) railway sidings
- 3.2 Sweeping of pathways and all hard surfaces.
- 3.3 Litter collection and removal.
- 3.4 Pruning of trees
- 3.5 Removal of dead trees
- 3.6 Equipment required are; tools, lawnmowers, weed eaters, vehicles and trailers. All tools and equipment must be in good condition and must be supplied by the successful bidder.
- 3.7 All PPE (Personal Protective Equipment) will be supplied by the successful bidder.
- 3.8 Damage to CENTLEC, private property or personal property due to negligence, will be for the account of the contractor. The Contractor must be insured for such damages by means of a valid public liability insurance policy.
- 3.9 Clean out all storm water outlets
- 3.10 Removal of all debris from the sites and clean the affected work areas.
- 3.11 The service provider must guarantee the presence of the senior in charge of fieldwork throughout the duration of the contract.
- 3.12 The service provider agrees to provide the services in accordance with the requirements set forth in the contract documents. It shall choose the most suitable processes, methods and equipment to perform its services under this contract, at competitive costs. Whenever the

service provider is unable to respect a contractual stipulation, it shall notify CENTLEC within the maximum of two (2) days indicating its reasons and to provide the solutions.

- 3.13 Quality of works: The service provider shall undertake to perform all the services hereunder in accordance with the highest standards of professional and ethical competence and integrity. The service provider shall be responsible for the provisioning of materials, tools and equipment, as well as the quality and end result of the workmanships. The cost of remedying any defective works as result of negligence shall be borne by the service provider.
- 3.14 Compliance with regulations: The service provider shall ensure that the works and components thereof comply with Health and Safety Regulations and all other building standards that's applicable.
- 3.15 Liability: Nothing in these specifications shall be construed as placing the work under the specific direction or control of CENTLEC or relieving the service provider from his liability as an independent service provider and, as such, he shall be solely responsible for the method, manner and means by which he shall perform his work, including, but not limited to supervision and control of his own personnel and scheduling of the work required to insure its proper and timely performance and he shall exercise due care to prevent bodily injury and damage to property in the prosecution of the work. The service provider shall restore and make good at his own expense all injuries or damages to any portion of the work before its completion and acceptance.
- 3.16 On completion of the assignment to supply a recommendations report on how to best maintain the facilities for future years.

4. Special Conditions of Contract

- 4.1 The successful service provider will be required to submit a Health and Safety file before the commencement of duties. The Health and Safety file will have to meet the CENTLEC standard that forms part of this specification and it will have to be submitted within two weeks of receiving the appointment letter. CENTLEC's standard requirements for the safety file are attached hereto as Occupational Health and Safety Specifications.
- 4.2 The successful service provider will have to ensure that the contractors to be appointed will be supplied with Safety Health Environment and Quality (SHEQ) specification.
- 4.3 The successful service provider will be expected to enter into a Service Level Agreement with CENTLEC.
- 4.4 The service provider will be remunerated only after an inspection was done and the work is found satisfactory.
