

REQUEST FOR PROPOSAL FOR SUPPLY AND DELIVERY OF TOOLS, PLANT, MACHINERY AND ELECTRICAL MEASURING TOOLS

CENTLEC

1. INTRODUCTION

CENTLEC (SOC) (Ltd) invites BIDS for supply and delivery of Tools, Plant and Machinery as detailed in the specification below.

2. MINIMUM SUBMISSION REQUIREMENTS – ANY OMISSION OF THE LISTED ITEMS WOULD RENDER AN AUTOMATIC DISQUALIFICATION.

- 2.1 Two (2) letters of references from previous companies where similar work was done.
- 2.2 Valid original tax clearance certificate.
- 2.3 Supply municipal services (water, sanitation, rates and electricity) clearance certificate or Lease Agreement with a Current Bill of Account not owing more than 30 days not owing more than thirty (30) days or Lease Agreement.

3. SCOPE OF WORK

3.1 The scope of work for the service provider will be to supply and deliver quality Tools, Plant and Machinery as mentioned in the introduction above and as per the bill of quantities below. The successful bidder will also be expected to provide an after sale service to Centlec for the duration of the contract.

3.2 Only Tools, Plant and Machinery in accordance with the requirements and specification set out in this manual shall be purchased via stores/commercial on to the Centlec contract and no deviation will be accepted except in exceptional cases. In such cases, the matter shall be referred to the Supply Chain Manager, through the 16(1) Employer or duly delegated official, for the necessary approval to be obtained.

3.3 This bid shall be valid for a three (3) year period from the date of acceptance by Centlec.

3.4 The successful bidder will be expected to enter into a Service Level Agreement with Centlec.

3.5 It is imperative that bidders that have met the minimum submission requirements in point two (2) above should supply the Supply Chain Manager with a sample of all the products offered as well as a sample. Such bidders should bear in mind that samples will be treated in any way necessary to determine the quality of the tools. If samples are not supplied, and not SANS approved where requested, the bid shall not be considered.

3.6 Please note that if the general information with regard to each item is not supplied or incomplete, your quotation on that item will not be considered.

3.7 Please note that Centlec reserves the right to appoint more than one bidder where applicable.

3.9 Each tool that is delivered must also state that the tool has been manufactured in a SANS accredited factory and each consignment should also be accompanied by a certificate. All equipment will be manufactured according to SANS specification and will bear the SANS mark.

3.10 Bids must include: supply and delivery of the equipment.

3.11 Machinery, tools and equipment must be SABS compliant and adhere to the Occupational Health and Safety Act requirements.

3.12 There are nine (9) subjects in this bid for which the bidders can quote, i.e.

3.12.1 Hand Tools;

3.12.2 Scada Tools;

3.12.3 Scada Equipment

3.12.4 Plant

3.12.5 Protection Tools

3.12.6 Machinery

3.12.7 Electrical Measuring Tools

3.12.8 General Engineering Tools, and

3.12.9 Portable Earthing Equipment

4. SPECIAL CONDITIONS OF CONTRACT

4.1 Any work outside of the current scope of work, identified by Centlec duly authorized persons can be quoted by the approved bidder.

4.2 The quotation can be considered by Centlec and a work instruction generated for the quoted ad hoc work.

4.3 Any amendments to the legal and procedural content of this bid shall be addressed in the SLA entered into by Centlec and successful bidder(s).

4.4 The lead time for off the shelf items will be seven (7) calendar days from the date of the purchase order issued. The rest of the items will be as per the manufacturer/distributor specifications.

5. SCHEDULE OF QUANTITIES

5.1 Quantities required will be specified at the time of placing order but the unit price of an item shall remain firm.

5.2 All variations to this bid will be dealt with in terms of the applicable delegation before issuing of orders

6. SCHEDULE OF PRICES

All prices will be priced over a period of three (3) years due to escalation of prices; prices shall not be amended without the approval of the Supply Chain Management Section of Centlec. All electrical machinery and electrical measuring tools shall have a **minimum three (3) year guarantee from burnout**.

NOTE: All prices quoted should be VAT exclusive. The Bidders should price for all items in the pricing tables respectively.
