

SANRAL

BUILDING SOUTH AFRICA
THROUGH BETTER ROADS

Have you earned your
**ENGINEERING
BURSARY?**

BURSARIES

- SANRAL aims to support deserving and qualifying students in the fields of transportation infrastructure, specifically civil engineering and its related professions in the built environment, smart technologies, public sector infrastructure development & administration and other professions related to the core business of SANRAL.
- Bursaries are for undergraduate and postgraduate studies.
- The bursary is awarded to students who obtained an average of 70% in their last exams.
- Awards will be made in line with SANRAL's EE Transformation Policy objectives.
- Applicant's financial situation will be taken into consideration.
- Applicants with other bursaries will be disqualified.
- Students with disabilities are invited to apply.
- Bursary recipients will have the opportunity to apply for on-the-job training.

MINIMUM REQUIREMENTS

South African Citizen

Accepted for studies

Proposed study aligned with the qualifications outlined in the application

Meet academic requirements

Not older than 35

Enrolment for full-time study

INDUCTION

Bursary recipients will be invited to the annual induction to welcome them to SANRAL; this will also be an opportunity to familiarise them with the business. The Induction aims to introduce students to each other so they can forge further relationships/study groups on campus. In light of the COVID-19 pandemic, induction events may be conducted virtually.

VACATION WORK

Vacation work will be provided to bursars where projects are available for placements.

Postgraduate qualifications in related fields are a definite advantage and SANRAL bursaries are available to study full-time or part-time if you are a permanent staff member of SANRAL.
